Specifications		
Voltage Rating	60 V DC	
Rated Current(40°C)	max. 4 A	
Locking of ports	Screw thread M8/M12 × 1 mm (recommended torque 0.4/0.6 Nm), self-securing	
Environmental Protection	IP65 and IP67 when plugged and screwed down (EN 60529)	
OperatingTemperature	-20°C - 85°C, depending on cable quality
